

**All Behavior Has a Function
Reinforcement Drives Behavior
We Will Reinforce the Behaviors You Want!**

Training Package

Puppy Essentials: Helping Your Puppy Thrive!

Who is This Training Package For

Anyone that wants to get their puppy off to a great start with house training, crate training, socializing, and learning beneficial foundational behaviors using positive reinforcement training.

What You Will Learn

Learn practical skills and techniques for raising a happy, confident puppy. Here is what you will learn:

- ✓ Effective and efficient approaches for successfully house training your puppy
- ✓ How to teach your puppy to enjoy and feel comfortable in their crate
- ✓ How to introduce your puppy to new people, animals, environments, and experiences in a positive way that will give them confidence and reduce the likelihood that they will develop fear and anxiety
- ✓ How to use positive reinforcement to teach important everyday behaviors and build a strong foundation for future learning
